Experience and Objectivity...

THE KEY TO
SOLVING YOUR
BUSINESS FINANCIAL
MANAGEMENT
PROBLEMS

GOODRICH & ASSOCIATES

Charlie Goodrich has been solving business financial management problems for over 30 years. During the more than 10 years since the founding of Goodrich & Associates, Mr. Goodrich and his colleagues have completed many engagements that improve client performance and financial value.

GOODRICH & ASSOCIATES

We can solve your problems by what ever means works for you: traditional projects, execution as an interim CEO, COO, CFO or Director or as a coach or mentor.

- ***The recommendations we make to you are drawn from our many years of experience with both large and small businesses in a wide range of industries and financial situations.***
- ***We solve your problems through objective assessment, rapid implementation, diligent follow-up and direct involvement.***
- ***We work with your personnel and advisors to speed results and rapidly transfer knowledge.***
- ***We build a unique team of resources to precisely match your specific needs.***

The value of our services is derived from our experience and objectivity. We save you time and money by knowing what to do and how to do it quickly.

oodrich & Associates provides the experience and objectivity needed to solve your business financial management problems. We provide custom solutions for strategic and tactical support that prevent financial surprises through better business controls. Our solutions increase profits by improving resource allocation decisions through profitability analysis and by stream lining business processes so they are less expensive and more customer focused.

In addition, we can coach and mentor your senior financial team, thereby accelerating goal achievement.
